

WALL & CEILING PANELS

frp

FIBERGLASS REINFORCED PANELS

FOR CANADA 

WHY FRP? WHERE FRP?

STYLE + HYGIENE

When you need grace under pressure, fiberglass reinforced plastic (FRP) panels are the perfect choice for your walls. From moisture and germs to daily dirt and grime, our FRP panels are able to stand up to even the toughest environments - without sacrificing style and beauty.

As the first and largest global manufacturer of FRP wall paneling, Crane Composites offers the industry's most innovative and resilient FRP panels, backed by our expert technical and installation support staff. Our FRP panels are suitable for most any commercial space and provide key benefits including:

HIGH END STYLE:

Take your surfaces beyond with our wide range of surface types, textures and colors, offering you endless options to create the beautiful look you've envisioned for your walls.

DEPENDABLE PERFORMANCE:

Count on Crane FRP panels for extremely strong, durable walls that provide resistance to mold, mildew, bacteria growth, stains and chemicals.

SIMPLE & COST-EFFECTIVE:

Take it easy, from start to finish. Our FRP panels are simple to install over any existing wall surface and even simpler to maintain with a mild cleanser and sponge or soft brush. Plus, they're easy on your budget and designed to last for years to come.

THERE IS MORE TO FRP than ever BEFORE

All Crane Composites coverings have earned GREENGUARD Certification for low chemical emissions, issued by UL Environment. This certification reflects our dedication to improving the quality of our products, while using low-emitting materials in their construction. The use of Crane Composites products may also contribute to earning LEED® certification.

add surfaseal

The Surfaseal film finish, found only on Glasbord, provides a barrier that's highly resistant to impact and scratching. Because of our unique process, the Surfaseal finish will not trap soil or bacteria on the panel. The surface is up to 10 times easier to clean and up to six times more stain resistant than other sanitary wall systems.

GLASBORD EMBOSSED WALL PANEL
CLASSIC COLLECTION | STONE (15)

GLASBORD® Wall Panels with Surfaseal Finish

A global leading provider of resilient wall and ceiling coverings. Kemlite® was established in 1954 and the company changed names to Crane Composites in 2007 to reflect the company's ongoing new product innovations that continue to expand beyond hygienic wall panels.

add strength

Kemply is fabricated by laminating Glasbord panel to a rigid substrate. The resulting panel has structural strength and rigidity, allowing installation directly to a stud wall or ceiling. Sanigrd is the ideal solution for high humidity and chemical environment installations. Sanigrd system features a fast installation, with the entire system easily snapping together.

THERE IS NO BETTER OPTION.

Crane Composites' customer support teams are inspired by one common objective: to help our customers succeed. Our trained staff of experts are focused on delivering timely, practical and innovative solutions that help our clients grow their business. From product information and service, to testing and technical service, all our products are backed with the resources you need, when you need them.

FINISHING TOUCHES

SEAM TREATMENT ACCESSORIES

Crane Composites offers an array of seam treatment options to complete your wall panel installations.

POLYPROPYLENE/PVC MOLDINGS

STANDARD FOR GLASBORD | WIDE FOR KEMPLY

Standard moldings are contractor grade moldings that are perfect for use with FRP panels. Crane Composites division bars feature patterned expansion control guides to assist with proper FRP installation. Available in 10' lengths in Glasbord and Kemply standard colors.

COLOR SIL COLOR-MATCHED CAULK

FOR DESIGNS, VARIETEX, & GLASBORD PANELS | BY COLOR RITE INC.

Use Color Rite's Color Sil caulk for professional looking panel installations without the use of moldings. Crane has teamed up with Color Rite to provide materials that compliment Crane wall panels in over 40 colors. Use with Color Rite's Pre-Tooling Mist to install with ease.

SILHOUETTE TRIMS

FOR DESIGNS & VARIETEX PANELS

Silhouette Trims offer a narrow profile to minimize the seam. Crane Composites Silhouette Trims feature patterned expansion control guides to assist with proper FRP installation. Available in 10' lengths in DESIGNS and VARIETEX Classic collection.

BEADED PANEL MOLDING

FOR VARIETEX BEADED PANELS

Specially designed beaded division bar to compliment our beaded panels. Available in 10' lengths in cotton white (1130) color.

ALUMINUM TRIMS

FOR DESIGNS & VARIETEX PANELS

Designed for a contrasting and upscale look. Available in 10' lengths in silver color.

POLYURETHANE SEAM SEALANT

FOR SEAMLESS GLASBORD PANELS

Seam Sealant sealant is an equal-mix, two-component bright white urethane sealant system used to bond and seal a variety of plastics.

INSTALLATION TOOLS

OUR WALL PANELS ARE EASY TO INSTALL WITH OUR TOOLS

Installation accessories include our Crane Fast Grab or Crane Advanced Polymer Adhesive, rollers and trowels along with detailed installation guides and videos. Visit crane.composites.com/resources.html for detailed installation information.

WHO WE ARE

Crane Composites Inc., a subsidiary of Crane Co. (NYSE:CR), is the world's leading provider of fiber-reinforced composite materials.

Since 1954, we have continued to pioneer numerous patented technologies for industrial and commercial product applications. Crane Composites fiber-reinforced panels (FRP) can be found in virtually every type of vertical market, from highly industrialized environments to stylish retail and hospitality settings.

No matter what the application, our products and team reflect our mission statement: We are a performance driven organization committed to global leadership and products of high-quality composite materials.

Customers benefit not only from the outstanding performance characteristics of our products, but also from our extensive support programs. Our expert product teams are focused on the needs of customers to provide unparalleled service and expertise.

THE SUPERIOR OPTION.
