

Crane Composites Supports Local Charitable Organizations

- **\$200,000 in 2023**
- **54 Organizations That Provide Direct Assistance to Underserved in the Communities**

CHANNAHON, IL, July 26th, 2023 – Crane Composites, a subsidiary of Crane Company, recently presented 54 local charitable organizations with donations from the Crane Fund for Widows and Children as part of their long-standing and valued tradition of supporting local communities. Each year, Crane Composites sponsors donations to organizations from our associates' input which provide support to the local communities we have locations including Channahon IL, Bolingbrook IL, Goshen IN, Florence KY, and Jonesboro AR.

"Being involved in the communities where we live and work, and supporting those in need, is an essential part of how we do business," said John O'Sullivan, President. "We have the opportunity to make a difference in the lives of those who need it most. That's a legacy that has been part of our company for many years and extends into everything we do – from developing innovative, quality products to inspiring future generations and providing a helping hand when needed."

Crane Company has a rich history and legacy of over 100 years of charitable giving through three company-administered charitable entities: The Crane Fund, The Crane Fund for Widows and Children, and the Crane Foundation. The Crane Fund for Widows and Children makes contributions to charitable organizations that provide direct assistance to underserved populations in the communities where Crane Company operates. This fund touches the lives of many through its donations to local organizations, global relief agencies, and school and scholarship funds in the United States and Canada.
